Describe your experience in the volleyball industry, including any volunteer leadership experience, such as board, committees, offices, etc.

I am the director of Tamarack Beach Volleyball club, in Carlsbad CA as well as the head coach. I founded the college beach showcase events with GNBV and Later JBVS, and began winter tournaments with Endless Summer Tour and relentless VB Tour in Southern California. I run Showcase events and clinics around the US including the East Coast and pacific Northwest. I have been a Division 1 Mens and NAIA Women's Collegiate coach as well as part of the USA Volleyball HP Coaches cadre for Beach and Indoor VB. I currently serve on the Beach Committee for JVA and The ACVA Beach All-American Selection Committee.

If nominated and elected to serve, which areas would you feel you could make the greatest contribution?

Humor of course.. a lot of humor. and maybe some fun ideas on how to grow the indoor and beach games both as business ventures and in participation and scope of events.

What personal qualities will you bring to the Board?

Hard Work, making connections, building bridges and coming up with ways to make better and better events- not maintaining the status quo. value and importance. I consider myself to be confident and likable.
